

# THE STRAWFORD CENTRE

A conference venue with a difference, or a superb facility to entertain guests and customers at a race day. The Strawford Centre fulfills both requirements, offering fantastic hospitality options.

Overlooking the start/finish area of the circuit and constructed to fill a growing demand, it provides quality facilities for race day hospitality and is also available for small conferences, sales meetings and product launches. With the circuit's easy access, unlimited parking and exciting atmosphere, the Centre will live up most meetings and offers an interesting hospitality base.

A spacious reception foyer leads to the main hospitality meeting room. From this, large clear doors lead to the display/garage area. A separate door gives direct access, via stairs to the large first floor covered area, offering unrivalled circuit views, while another door leads through to a catering service point and toilet facilities.

The display/garage area gives direct access through electrically operated doors into the pit lane and then onto the circuit.

Capacity will vary subject to usage, but rough guidelines are given for information.

<b>Banqueting Style Hospitality</b>	<b>40 guests</b>
<b>Theatre Style Presentation</b>	<b>100 guests</b>
<b>1st Floor Area</b>	<b>80 Guests</b>
<b>Garage Area</b>	<b>Space for 6 cars</b>

All areas provide clear floor areas with down lighters. The hospitality area, double glazed throughout, features quality flooring, and furniture. Modern wall decorations reflect the circuit's history.

The hospitality area is equipped with ample 13 amp power sockets, telephone line and a PA system, TV, DVD and video player and sophisticated alarm system.

Parking on tarmac is adjacent to the building or on Event days a reserved area is created in a nearby car park.

On site caterers, Tavern Events Limited can supply a range of menus.
